Introducing Tom O'Shea—Disabled Club Representative

From Tom:

It is my great pleasure that the disabled section has been officially established and our club promotes disability archery by supporting disabled archers right here in Redruth

I am Tom, the new disabled section liaison officer and a new disabled member my-

self! My role is to get to know you and your needs and work towards facilitating your archery here at the club. A meeting will be arranged in the near future for members to discuss ideas and thoughts, but in the meantime I look forward to chatting to you at shoots.

Beginners' Courses 2015

In spite of our best efforts we have been unable to find a suitable alternative venue for the beginners' courses that is affordable, suitable and available.

Unfortunately, this means that our "regular" indoor shooting season will end on the 14th March.

The next round of beginners' courses will be held on Saturday afternoons at Pool School. The first session will be on the 21st March, with the last session at Pool School will be on 25th April, with the final session of the course—at our field— on 29th April

If you have any relatives or friends who might be interested in doing the course Ann (Callaway) is taking bookings now.
